Kentucky's 4th Annual
System of Care
Academy

Marriott Griffin Gate, Lexington, KY

The Kentucky Initiative for Collaborative Change (KICC) invites primary care providers, clinicians, practitioners, educators, child care providers, Family Resource Youth Service Center staff, juvenile justice staff, community based services staff, public health staff, families/youth, and community members to attend the 2017 System of Care Academy.

2017 Academy Theme:
Building Bridges: Advancing Partnerships Among
Residential and Community-based Service
Providers, Youth, and Families to Improve Lives

Academy Goal for Participants: *Identify effective strategies for reducing lengths of stay in out of home care, increase family engagement, and increase use of community supports.*

Mark your calendars now to attend Kentucky's System of Care Academy presented by the Department for Behavioral Health, Developmental and Intellectual Disabilities and Eastern Kentucky University.

Registration will be available April 2017.
